

Institute Partner Program

The Institute Partner Program provides a wonderful opportunity to demonstrate your company's commitment to good government at the local level and to connect with and engage local decision makers. The Institute's Partner Program provides ILG the opportunity to publically thank our Partners through our website, events and resources that support local officials and staff. Institute Partners also receive full recognition at the commensurate level through the League of California Cities Partnership Program.

About the Institute

The Institute for Local Government promotes good government at the local level with practical, impartial and easy-to-use resources for California communities. ILG provides direct assistance and trainings to local governments on public engagement, public service ethics and strategic and climate action planning; promotes sustainability best practices through the Beacon Program: Local Leadership Toward Solving Climate Change; and offers orientation materials and resources for newly elected officials and staff.
